Are your checks secure enough???

YOUR Safety security features are our #1 concern!

We offer at NO EXTRA CHARGE:

- VOID background printed on face of check- attempted photocopying will cause the words "VOID" to become visible noting a forgery!
- Micro printed border- attempted photocopying will cause the type to plug or fade away noting forgery!
- Visible & Invisible Fibers imbedded in paper stock.
- Stain indicators to indicate the use of solvents used in any forgery attempt.
- Toner Fuse II- bonds laser toners to paper stock.
- Artificial Watermark- indicates a protected document on endorsemant side of check.

How much are you paying for your CHECKS?

**Ask for a FREE, NO OBLIGATION QUOTE/COST COMPARISON

ADD NEEDED SECURITY FEATURES TO YOUR CHECKS FOR NO or LOW COST!

Compare your company's check safety features. Do they have:

- Visible or invisible paper fibers?
- A Watermark?
- Copy or scan resistance?
- Chemical or stain indicators?
- Copier toner fuse?
- ThermoChromatic Ink?

For little, or **NO COST**, these safety features can be utilized on your company's checks to protect against forgery & fraud!
